

Watch Me Grow

Child Development Center

My name is Alisa Park and as the owner of Watch Me Grow I want to be the first to welcome you to our family owned and operated childcare center.

When I took over the business in 2008, I kept my own personal experiences with childcare in mind. I remember moving to Las Vegas and searching for a center where I could enroll my toddler son. I had the same questions and concerns that any parent has. Would my child be safe? Will my child be properly cared for? It was an overwhelming and often frightening experience. To be honest, I moved my son several times before I found the right school.

Years later when my brother and his new family moved to town, I set out with my sister-in-law to find a school for their toddler daughter, my niece. My sister-in-law had many of the same concerns that I experienced as we visited centers. We were also surprised to learn how uncommon it was to find centers that provided infant care.

I realized that there was a need for a childcare facility that was affordable while providing a safe and clean environment. I wanted to create a staffing work culture that encouraged longevity and stability while providing services for the entire family (children ages 6 weeks to 12 years old).

Watch Me Grow

Child Development Center

Watch Me Grow continues to strive to be the premier childcare center in the Las Vegas Valley. For over 15 years the hard work and dedication of our staff has been focused on making that vision a reality.

We recognize that children are our future. They are our future leaders, decision makers and world changers. Our commitment to a better future begins today when we love and nurture these children.

I am truly excited to have you become a part of our extended Watch Me Grow family. I hope that you share our belief that it is both a privilege and awesome responsibility to be a part of the foundational years of a child's life.

So once again, let me say welcome to my Watch Me Grow family! If I can be of any assistance to you, please do not hesitate to reach out to me or a member of my management team.

Warmest Regards,

A.P.
